### **Job Search Publishers Invited to Virtual Career Fair**

**June 5, 2008** – Job Search Publishers LLC, the developer and online portal for The EmployMentor Guide©, the leading job-search organizer product line for individuals who are job hunting or participants in executive searches, announced that they have been requested to participate in first Virtual Career Fair hosted by Kaplan University, which serves over 41,000 online and on-ground students. The online event runs July 25<sup>th</sup> – August 2<sup>nd</sup>.

“We are delighted to have been contacted directly by Kaplan University’s Director, Career Resources on this event to expose students to companies’ career opportunities,” said Marianne Gustafson, Publisher. “We look forward to making an announcement on this shortly,” she added.
