### **Job Search Publishers become Amazon Associate Merchant**

**August 15, 2007** – Job Search Publishers LLC, the developer and online portal for The EmployMentor Guide©, the leading job-search organizer product line for individuals who are job hunting or participants in executive searches, today announced that they have become an Associate Merchant for Amazon.com.

“Since we don’t publish employment and job search books, we have established an Associate Merchant relationship with Amazon.com. Our website will feature select links directly to Amazon.com’s noted book list to place additional information into our customers hands,” stated Marianne Gustafson, Publisher.

### **About Job Search Publishers LLC**

Organize your job search with the leading downloadable products from the founding team at Job Search Publishers LLC, who developed and obtained the copyrights to the EmployMentorGuide(c), creating its electronic format for the Internet. Our content contributors, staff, and Advisory Board are experienced in executive search, corporations, small businesses, college recruiting, and professional services.
